

Day Reporting

Location: Office

Client: Children

Duration: Moderate – referrals are created for six months, Hourly or Per Diem Rate

Payer: DCS

Summary:

Day Reporting programs provide intensive supervision to children exhibiting a pattern of delinquent behavior. The primary functions of Day Reporting can include intensive supervision, utilization of a cognitive behavior change approach, and be utilized to prevent the removal of the child from the home, to increase community safety, and to improve family functioning.

The day reporting service provides daily supervision and structured activities for youth who require more intensive oversight, as an alternative to secure detention. This program serves pre- or post-adjudicated youth.

Services shall include, but are not limited to: Intensive supervision, educational planning assistance, and community/recreational activities.

Provider will communicate progress to the referral source and monthly attendance in program, including number of contact hours performed. Provider will submit written progress reports to the referral source prior to each court hearing.
